Job Opportunity Maintenance Tech

Description of Employer

The Community Development Partnership (CDP) nurtures a vibrant Lower Cape region by promoting environmental and economic sustainability, expanding opportunities for low- and moderate-income residents, and preserving our unique cultural and historic character.

At the CDP, we create opportunities for people to live, work and thrive on the Lower Cape. We do this by providing safe, stable affordable places to live through the preservation of existing homes and the creation of new affordable rental opportunities. We also support and strengthen local small businesses as they start-up and grow through micro-financing, education and individualized assistance. And, we protect the natural environment of this place so many of us love by increasing energy efficiency and opportunities for generating local renewable energy.

For 30 years, the CDP has been a leader in developing and delivering innovative programs that foster an economically and environmentally sustainable Lower Cape Cod community. As a community development corporation, we value economic diversity and are committed to the inclusion and participation of local area residents, business owners and leaders in setting our priorities.
