

A Summer Evening with the CDP

Tuesday, August 25 | 6–8 PM

Join us at Truro Vineyards of Cape Cod + South Hollow Spirits for a fundraising event benefiting the Community Development Partnership (CDP). In its early years, the vineyard was supported by one of CDP's first micro-loans. Today, we gather at this iconic Cape business to celebrate what grows when community investment takes root—and what's possible when we come together to strengthen our year-round region.

Summer Evening supports the CDP's work to strengthen housing stability and local businesses—helping ensure the Lower and Outer Cape remain a place where people can live, work, and thrive year-round.

Enjoy local food and drink, live music, and meaningful conversation in a relaxed summer setting—along with a fund-a-need highlighting the impact of early, community-based investment.

Sponsorships begin at \$1,500 and are a meaningful way to support CDP's work while connecting with a community of committed local leaders and partners. See following pages for details.
