ABOUT CITC

The Community Investment Tax Credit (CITC) program is a tax credit that supports community-led development initiatives and strong local partnerships by leveraging private contributions.

Sponsorships of \$1,000 or more are eligible for a CITC Tax Credit based on credit availability. The good faith estimate of the fair market value of the goods and/or services received in exchange shall be deducted from the contribution amount to determine the actual qualified investment and resulting tax credit allocation to the donor under the CITC program.

Your sponsorship may be eligible for additional tax deductions as well, to the extent of the law. Please consult your tax advisor for specific tax guidance.
